

## CHILDREN PROGRAM

This program teaches children some of the most popular Ballroom (Waltz, Quickstep...) and Latin (Cha-Cha, Jive...) dances.

From fun basics introduction to advanced levels of competition, the program is progressive, focusing on proper technique, musicality and building partnering skills.

The students will be offer opportunities to compete at upcoming competitions.

The quality of instruction and personal attention is our priority giving each student the best preparation for success. We believe that private lessons are the best way for your child to progress faster and keep the motivation and excitement uplifted.
